

TO:

This festive season, I'm giving you a gift that protects our oceans.

A PATCH OF ATLANTIC OCEAN

You won't own it, but you'll help to protect it.

I've donated to Greenpeace to protect a piece of the spectacular Atlantic Ocean. The Atlantic's migrating turtles, delicate sea horses and precious coral reefs all face an uncertain future. But this gift can protect them from harm and ensure the Atlantic Ocean flourishes for years to come.
